

## **Kinder Enrichment Folder**

If your child will be entering Kindergarten in the fall, they will be receiving an “Enrichment Folder” which will include: Kinder Readiness Checklist, Preparing Your Child Worksheet, and OJUSD Suggested Skills.

***\*\*Folders will be sent home mid-February with additional information and guidance specific for your child.***

We want you to know of our awareness and desire to exceed normal standards, by not only providing best practice in child development, but preparing your kiddos with a “whole-child” approach.

This will not in any way take away from our desire to spark your children’s imagination through discovery and hands on learning. This is just an added benefit to our already developed program in hopes that it will help create excitement for your child’s upcoming year in Kindergarten!
