Help Us Rebuild!

As we enter the new year, Heritage is slowly recovering from the impact the COVID-19 pandemic has had on our program. As a fellow member and business of the Oakdale community, many continue to survive, rebuild, and strengthen their establishments in efforts to preserve and sustain.

FROM LITTLES SEEDS GROW MIGHTY TREES 

During the Spring is traditionally a time of the year where new families join our program, and we plan for upcoming events. This pandemic has continued to impact our program and has influenced the number of families we are meant to serve. Heritage might be nil, with not enough students to continue operating into the new year. However, with your help and influence Heritage can and will rebuild.

How Does My Involvement Make an Impact?

Your involvement makes a huge impact and helps Heritage reach more families embarking on a new preschool journey. Now more than ever, children need consistency, social and emotional interactions, a safe place, and a place where they can grow, and learn. At Heritage, we have always believed in providing the highest-quality care. Our Outdoor Classroom has allowed us to continue to stay true to our mission despite the pandemic. Having your child at Heritage School of Discovery means you believe:

- ✚ That children have a right to safe, meaningful, and consistent educational experiences in their communities.
- ✚ That children deserve a safe and healthy environment that pivots to create a normal atmosphere and quality early childhood education environment.
- ✚ That it is time to get creative, it is time to choose faith, and it is a time to advocate for the mental health, growth, and education of our children.

How Can I Help?

Heritage families have consistently played an irreplaceable role in our program. From volunteering at events, writing reviews on google, posting on social media, and sharing their experience with others-- Heritage families have contributed to the growth of our High-Quality preschool. If you would like to help rebuild and sustain Heritage, as well as believe in our mission – we would love your help! Here is what you can do:

Parent Referral Program-

The highest compliment our parents can give us is the referral of family or friends to Heritage. Earn \$100 tuition credit for each child you refer. Know a family or friend looking to enroll in a high-quality preschool program? Send them our way! ***Please look out for an email providing further information.

1st Quarter 2021 Contest-

Thank you to all our families who submitted their entries last year. It was heart-warming to read all your positive feedback and the impact our program has had on your child. We are excited to launch our "1st Quarter Contest" for another chance to win 50% off your tuition! Current families enrolled at Heritage are eligible to enter the contest.

Write a Review-

As technology continues to be incorporated into our daily lives, so does the use of Google. How often do you refer to google for references or reviews on your favorite products, restaurants etc.? Many first-time preschool families are often unfamiliar with the different childcare programs in their area, which leads them to utilize Google to search for the right fit for their child.

Help Heritage continue to be known for the quality education and learning environment we provide for children by writing a review on Google! Here is how: Head on over to Google and look for "Write a Review" on right hand side of the page and leave us a rate and/or review!

Our mission is to provide a high-quality program that will have a positive impact on children in multiple aspects of their development, so they can become smart, capable, faithful, and confident adults. We encourage all our families to get involved and help Heritage rebuild and remain a staple in the community. Your continued support is genuinely appreciated, thank you.

Sincerely,

Becky Garcia
